

## LETTER OF INTENT TO PARTICIPATE AT THE WESTERN CANADIAN OR CANADIAN CHAMPIONSHIPS

To assist Softball B.C. in applying to Softball Canada or the Western Canadian Softball Association for allocations to the Canadian or Western Canadian Championships, it is imperative that **all teams in categories leading to a Canadian or Western Canadian Championship wishing to compete in these Championships, whether a Provincial Championship is held or not, complete this form and submit it to the Softball B.C. office prior to June 1st of the current year.**

To be considered by Softball B.C. if additional assigned or pro-rate positions are allocated by Softball Canada or the Western Canadian Softball Association, they will be awarded to the next highest ranking team at the current Provincial Championship provided this form has been completed and submitted by the aforementioned date. **Any association and/or team which has not indicated their intention to participate will not be given consideration in the current year.** It should be noted and fully understood by all applicable associations and registered teams that the distribution and signing of this form will in no way obligate Softball Canada or the WCSA to award, or Softball B.C. to accept, any assigned or pro-rate position in the current year's Western Canadian or Canadian Championship.

**IT IS UNDERSTOOD** by the undersigned, that they fully commit the team to represent British Columbia as an assigned or a pro-rate allocation in the current year's Western Canadian or Canadian Championships on the understanding that the team place high enough at the current year's Provincial Championship, if one is held, to be awarded such an allocation if granted by Softball Canada or the Western Canadian Softball Association.

**IT IS FURTHER UNDERSTOOD** by the undersigned, that if selected and given an assigned or a pro-rate allocation to the Western Canadian or Canadian Championship the team fails to attend as promised, any and all financial assessments or fines attributable to such non attendance as assessed by Softball Canada or the Western Canadian Softball Association to Softball B.C. shall be borne by the association/league and/or team. ***For Canadian Championships only, it is a requirement for all teams to utilize the Tournament Host hotel and must submit a \$1000.00 cheque to ensure compliance. (Host teams are exempt from this requirement). This includes teams that are local to the event and will not be staying at a Hotel but ensures no team abuses the rights of the Host Association. (These cheques will be returned following the event when it has been confirmed that the team did not use paid accommodation.)***

**IT IS FURTHER UNDERSTOOD** by the undersigned, that the submission of applicable fine assessment currently in place, must accompany this form. i.e. **(\$500.00 for Western Canadian and two \$1000.00 cheques for Canadian Championship).**

**(Canadian Championships Only: Two separate cheques of \$1000.00 each payable to Softball B.C. are required, to reflect fine assessment & host hotel policy).** Two signatures are required below from the team and/or association.
